

51st Annual Meeting of Shareholders

Thank you to everyone who attended the in-person meeting and participated by joining via Zoom. We had a great voter response turnout using online, mail in, and in person voting quorum being met. It was wonderful to visit with fellow shareholders, family and friends while enjoying wonderful food prepared by shareholder Anna Grant.

Shareholders re-elected Michelle Partridge and Larry Matson as Board of Directors.

We look forward to seeing you again next year at the

52nd Annual Meeting of Shareholders!
